In order to improve quality of Civil Engineering Works, it is necessary to use the materials of reputed brands as, in many cases, specifications alone may not be sufficient to ensure appropriate standard of work.

Accordingly, vide ref 1 &2, Approved list of Brands and Makes for 160 categories of materials along with Amendment no.1 & 2 was circulated.

Now, the revised approved list of Brands and Makes covering 161 categories of materials is issued herewith as Annexure-A to be used in all works duly incorporating the same as Special Condition in all related tenders with immediate effect.

In case, Brands/Makes from approved list are not available, other reputed Brands/Makes having better aesthetic, Quality and Service life may be permitted with the approval of Sr.DEN/Co-Ordination in divisions or Project in-charge in Construction organization/Gati Shakti, as the case may be.

Material from Govt./Semi-Govt. subsidiaries amongst the approved Brands / Makes should be given 1st priority. Only in case of non-availability, other brand should be used if required for expeditious execution of the work.

This supersedes the all previously issued Approved list of Brands/Makes with amendments.

This issues with the approval of PCE.
