Special Conditions for Drawings :

1) If construction of any Building/Structure is involved, the Agency should submit detailed General Arrangement Drawings (GADs) for approval of the officers, based on the line sketch, within one week.
2) Soil exploration at the site shall be carried out as per standard practice, and the report should be proof-checked by IIT/NIT/Government Engineering Colleges. Based on the soil report and its recommendations, the Agency should submit the detailed structural design report in 2 copies (both soft and hard) along with detailed structural drawings, duly proof-checked by IIT/NIT/Government Engineering Colleges. These will be approved by Divisional and HQ level if found satisfactory in all respects.
